Your new home has non-rusting copper pipe, the best money can buy. Unfortunately, copper water heaters were not available at that time. Some of you have had to replace the galvanized tank heaters. We are happy to announce that on February 19th, we received our first shipment of **Hot Copper Heart Water Heaters**. Goodbye rust and leaking water heaters. Available in limited quantities as government releases copper for civilian use.

Better duck, or you'll get hit by one of the buttons that were popping! And why shouldn't we, when we have an outstanding Boy Scout like Don Kelly of Walnut St. as one of our Kettlerites? We are indeed proud of Don and his accomplishments in Scouting, for not long ago he was recipient of the Life Scout Award, and later in a ceremony at the First Baptist Church of Torrance he

by a lot of fun, for she has been having to stay pretty close to home while the flu has made the rounds of the youngsters. Linda, Kathy, Anita and Skip-
Marie, and daughter Linda Marie) were up from San Diego for the week-end. Little Linda Marie, not quite a year old yet, takes over and "Nanny" and "Doc" Kaelin really enjoy their granddaughter when she visits the house on Schilling Ct.

The Knolls is not without its share of chickenpox, the three oldest Hines girls are still pretty well peppered, and Judy Clutter is wishing those spots would go away so she can return to school and her playmates. Claudia Hardesty and Margaret Aarup are among the ones who have recently resumed their outside contacts after their bout with them.

We'd like to offer our sympathy and condolences to Leo Stark of Schilling Ct., who lost his wife Beverly in an automobile accident last Saturday in Florida. Beverly was on a vacation with her father and step-mother, Mr. and Mrs. William Thackeray in Everglades National Park. It seems that they had to swerve to avoid hitting something, and in so doing hit a soft shoulder and turned the car over in a canal. All three were drowned. Beverly is survived by her mother, Mrs. Tom McDonald and her husband Leo. Gamby Funeral Home in Lomita is in charge of the funeral arrangements.

Mrs. Betty Otterstein had a busy week last week. On Tuesday morning she was hostess to the Mothers Club of Girl Scout Troop No. 936 at its regular monthly meeting. The progress of the cookie sale, and the coming Scout birthday party, were all discussed. As it is a comparatively new group, money-raising projects were also discussed. The next meeting will be held Wednesday evening, March 4, with Mrs. Jean Hannan, of 619 Arlington, as the hostess. Those attending were Mrs. J. Draskowski, J. Takeuchi, Helen Korik, Jean Hannan, Madelyn Wayt, Ina Larsen and Teo Cunningham.

It being Valentine's Day and all, Thelma Setzer decided that it would be nice to have a little get-together, so Saturday evening she and Harry were hosts to Ellen and Bill Hardesty, Kay and "Van" Van Dalsem, Lois and Pete DeVriendt, and Gladys and Clarence Kellman, in their home on Walnut St. Adding a surprise touch to the evening, Thelma honored Gladys Kellman with a heart-shaped birthday cake. Small gifts were given to the flabbergasted Gladys and the evening was spent playing canasta.

Gladys Kaelin was surprised the other day to receive a long-distance call from her daughter and her family in Guam on her birthday. Chief Boatswain Mate Joe and Marjorie Williams, and daughter Toni all talked to her. In fact, Joe and Marjorie were on a two-phone arrangement, so instead of just two talking, it was a three-way conversation and the connection was so clear that Gladys felt that she could reach right out and touch them. Then last week-end son Bill Dupont and family (wife

Joe and Velma Lucas of Harbor St. were hosts for cocktails to a small group of friends Saturday evening before attending the Valentine's Dance at the Moose hall. Those enjoying the Lucas hospitality were Bernice and Woody Hartley, and Ken and Teo Cunningham. Also dropping in for a few minutes were Bill and Ellen Hardesty.

Reflections

By J. HUGH SHERFEE, JR.
GEORGE WASHINGTON, PATRIOT

George Washington was a successful farmer, a sincere friend to neighbors and a zealous patriot. This farmer, as General of the Army, was called "Fighting" he lost most of his battles but won the war. He was acclaimed President of the new Republic, without salary. During the framing of our Constitution, it was his contention that men would not serve without adequate compensation. Franklin answered, "... with moderate salaries, reason would be found for augmenting them—To bring the matter nearer home have we not seen the great and most important of our officers, that of General Of Our Armies executed for eight years together without the smallest salary, by a Patriot..." George Washington, wealthy before the war, saw that wealth shrink to poverty dimensions at its close, yet he served his Country without compensation. That was patriotism.

George Washington gave us a Nation. Pay homage to his natal day February 22nd. **"WE HAVE SERVED THIS COMMUNITY FOR 31 YEARS"**
